

Happy Passover!

Passover

Jewish

Passover commemorates the Jews' exodus from ancient Egypt and their freedom from slavery. These holy days last seven days (and for some outside the land of Israel an additional eighth day). Practitioners traditionally engage in a spring cleaning before Passover begins, ridding the home of all leavened grains. Since Jews fled quickly, without giving their bread time to rise, no leavened foods or grains are eaten for the duration of Passover. Matzo, an unleavened bread with the consistency of a cracker, is the center of a ritual meal called a Seder. Seders are choreographed feasts with ritual foods, often held on the first and second evenings of these holy days. A book called a Haggadah, of which there are many versions, is read aloud before, during, and after the meal. Passover celebrates God's intervention as a liberator and acknowledges current injustices in the world yet to be corrected.
